Professor of Pediatrics,
Director for Patient-Oriented Research
Vanderbilt University School of Medicine

Eva Dye, DNP, APRN, NNP-BC
Assistant Professor
Vanderbilt School of Nursing

Presented by
Vanderbilt University Medical Center,
The Mildred Stahlman Division of Neonatology

Safety precautions due to COVID-19:

As we approach the in-person meeting scheduled for November 10-11, we will seek guidance from the CDC, VUMC guidance, and local public health experts on implementing the necessary safety precautions to ensure the health and safety of all attendees, staff and local community. We will continue to monitor the COVID situation as it unfolds, please check back to the 2022 neonatal symposium website for further updates.

What You'll Learn

This symposium features practical, take-home information for NICU providers addressing current issues in neonatal and perinatal medicine.

Neonatologists in academic and community hospital settings, neonatal nurse practitioners, and pediatricians will find the material relevant to their practice. Other members of the NICU interdisciplinary team, nurses, RTs, nutritionists, and pharmacists, may also find the information of value.

After this CME activity, participants should be able to describe and discuss:

- Pathophysiology and management of necrotizing enterocolitis.
- Prevention strategies for postnatal growth failure.
- Possible consequences of placental *Ureaplasma* infection.
- Differential diagnoses of challenging neonatal radiologic case studies.
- Inflammatory complications of prematurity.
- Pros and cons of different methods of non-invasive ventilation and surfactant administration

CME Credit

Vanderbilt University Medical Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Vanderbilt University Medical Center designates this live activity for a maximum of 13.5 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
